This year's Studio Tour Director is **Marji Ingersoll** of the North Coast Artists' Guild. The Guild began in 1997 as a part of Gualala Arts to better serve the area's artists. The activities for our 150 members include organizing local venues to show & sell members' art, web site, members' list serve, studio tour, exhibitions, meetings and quarterly newsletters.

Thanks to Mendocino Community Network, for providing a free Guild Members' List Serve; **Ron Bolander** for providing nominal, professional, photographic sessions for our tour artists; **Ivan de la Garza** for designing the Guild's web site: art.mcn.org/NCAG. The Guild would also like to thank **Chris Cochems**, web designer & technical supporter for The Diamond Lane, an Internet Service Provider in Hayward, for designing our tour web site: studio-tours.com
